

**TOWN OF PRIMROSE  
BOARD OF SUPERVISORS  
SPECIAL MEETING-MARCH 23, 2009**

**MINUTES**

The special meeting of the Board of Supervisors was called to order by Chairman Dale Judd with Supervisors Dave Garfoot, Alex Elkins and Clerk Winnie Losenegger in attendance to discuss the American Transmission Corp. proposal for a new power line.

A motion by Elkins to approve the power line, support the beltline route instead of rural and to bury the power lines was rescinded. A new motion by Elkins, seconded by Garfoot stated that we were unable to judge if the power line was needed, support the beltline route instead of the rural area and to support burying the power lines. Motion carried. This information will be forwarded to Dane County Towns for submission to the PSC.

Garfoot brought forward information on the Harold Schlimgen driveway stating that he and Bill Haack met with Schlimgen on March 19. He asked Elkins to meet with Schlimgen to look at and possibly re-measure the turning radius. The contractor apparently misunderstood the instructions for the driveway.
